Monday, April 16 at East Ridge Country Club

Golf with Purpose — Help the homeless in Northwest Louisiana

Your sponsorship donation will benefit the homeless men, women, and children at the Shreveport-Bossier Rescue Mission, providing shelter, food, clothing, counseling, Christian guidance, and medical/dental care.

Join us for an incredible day of golfing that will benefit the homeless and hurting in our community. The causes for homelessness are as varied as the clients we serve -- financial problems, sickness, addiction, domestic violence, and many more reasons. Men, women, and children experiencing these situations are often torn from their normal existence and thrown into a frightening and chaotic time of struggling day-to-day for survival. The homeless need a hand up, not a hand-out. They need to be shown the love of Christ, and offered assistance to regain their footing and continue life with renewed hope and the spiritual and practical tools for success. At the Rescue Mission, we provide the acceptance, tough love, and services necessary to bring real change into their lives. By participating in the 2012 Community Golf Classic, you will be the hand of Jesus Christ extended to the hungry, homeless, hurting, and addicted. Please join us and make a difference in our community.

Blessings,

Rev. Henry Martin, Executive Director
Shreveport-Bossier Rescue Mission

About the Shreveport-Bossier Rescue Mission

The Shreveport Bossier Rescue Mission provides shelter, food, clothing, medical services, and counseling for homeless men, women, and families with children. The Rescue Mission, a Christian non-profit organization, operates four facilities: the McNeil Street shelter for homeless men, women, and families with children; The Living Center at Texas Ave., a residence for men transitioning back into a work situation; Zion Ridge in Greenwood, which houses the Discipleship Training Program for men; and a Thrift Store at 6800 Mansfield Road which provides clothing, furniture, appliances and other household items at affordable prices and supports the Mission's work. Last year, the Shreveport Bossier Rescue Mission served over 1,000 homeless men, women and children.
